

French wine merchant and writer Andre Simon once said,
**“Food without wine is a corpse; wine without food is a ghost;
united and well-matched they are as body and soul, living partners.”**

Within the pages of this book, we search for the harmonious
partnership between food and beverage.

With the notion of source and quality, we celebrate the craftsmanship
of artisans both local and abroad. We hope to showcase the identity of
each producer, tell the story behind each bottle, and evoke a sense of
place.

I encourage you all to imbibe in culture, tradition, and history.
Enjoy a cocktail, a glass of wine, a bottle of beer, a cup of coffee or tea,
in search of your harmonious partnership.

Alisandro Serna, Sommelier

This bottling tells the story of the historic Seven Springs vineyard, planted by Oregon wine pioneer Al MacDonald in 1984. Built around a core of own-rooted, Pommard and Wädenswil vines, this bottling evokes Oregon's winegrowing infancy, when savoriness, smokiness, and nuance brought curious and adventurous Burgundy lovers to this region. Since its inception, Seven Springs has been dry-farmed. The vineyard was converted to biodynamic viticulture in 2007. It continues to be farmed biodynamically, encouraging a healthy and sustainable ecosystem in the vineyard.
